

Technology Mentorship

A new, **free** digital literacy program in support of 2SLGBTQIA+ older adults (ages 45+) living within Toronto!

GET TO KNOW OUR PROGRAM

RIWC is offering individual and group support workshops for 2SLGBTQIA+ older adults looking to learn more about tech and how to use it. In partnership with **The 519**, we are dedicated to bridging the gap in knowledge about technology as well as addressing the isolation created by the shift towards a more digital space.

WHAT YOU NEED TO REGISTER

1

FILL OUT OUR INTAKE FORM

We only collect basic contact information (name, phone, and email). We take your privacy seriously.

2

ACCESS TO DEVICE/WI-FI

Access to a smart phone, laptop or tablet is needed. We can help find a solution if this is a barrier.

3

OPEN TO TRAVEL/ZOOM

Sessions can be held in-person at our café, located at 1326 Gerrard St East or virtually through Zoom. Other accommodations can be made.

4

WILLINGNESS TO LEARN

You will be matched with one of our Technology Mentors to develop an 8-week personalized learning plan.
