iPad 8 (and earlier models)

The logo for the Riverdale Immigrant Women's Centre. It features the letters 'riwc' in a large, bold, lowercase serif font. Below this, the words 'RIVERDALE IMMIGRANT WOMEN'S CENTRE' are written in a smaller, uppercase, sans-serif font. A stylized female symbol (a circle with a vertical line and a horizontal line) is positioned to the right of the text.

PUBLIC WI-FI

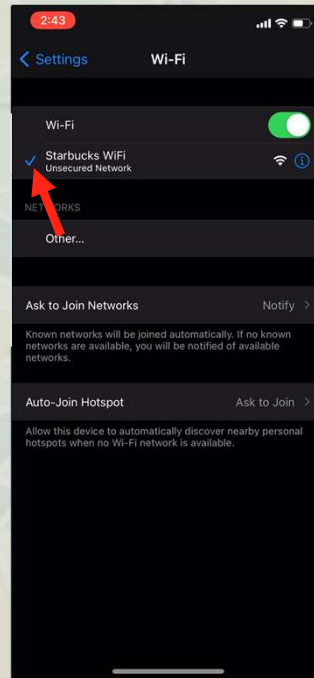

Connect to a public W-Fi network & access the internet

- You may want to connect to Wi-Fi when you are in a public space such as the mall, at a restaurant or café or the library.
- The Wi-Fi in these places is known as a public Wi-Fi network.
- Once you have connected to the public Wi-Fi network, you can access the internet the same way you would if you were connected to your home network, such as:
 - Through an internet browser (e.g. Internet Explorer, Safari, or Google Chrome)
 - When using an application like Facebook or WhatsApp
 - Sending or receiving an email

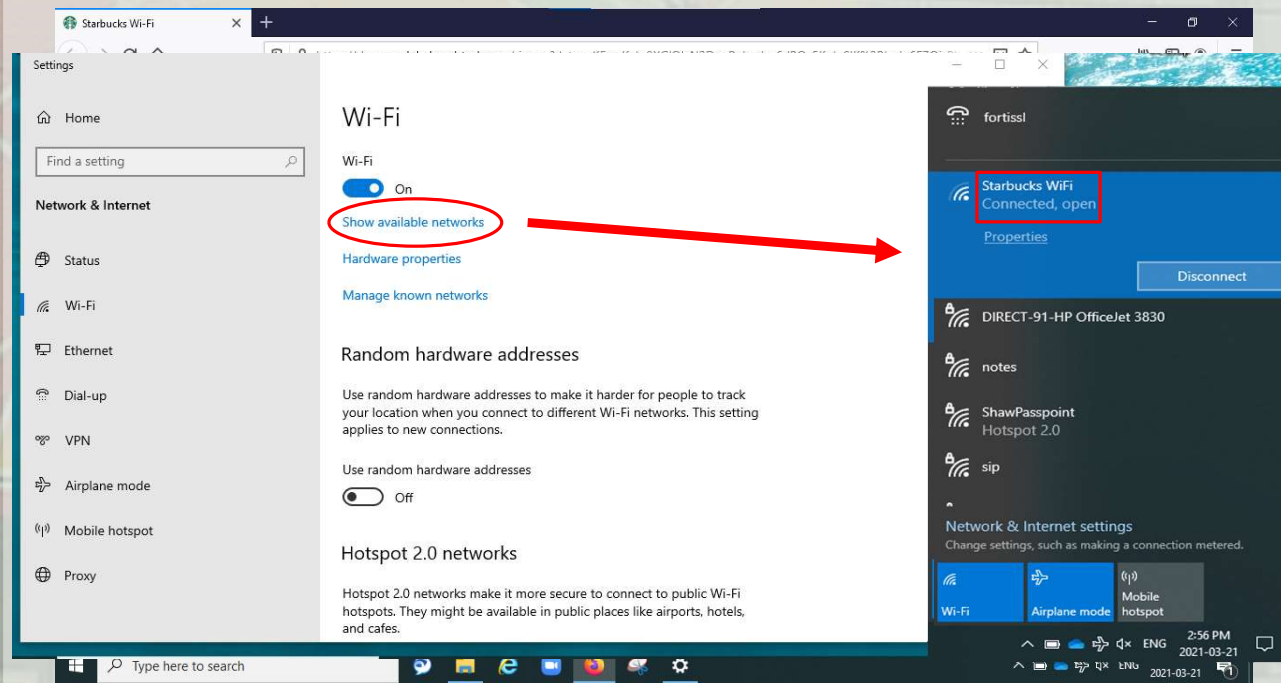

PUBLIC WI-FI

Example: Connect to Starbucks W-Fi network on a smart phone

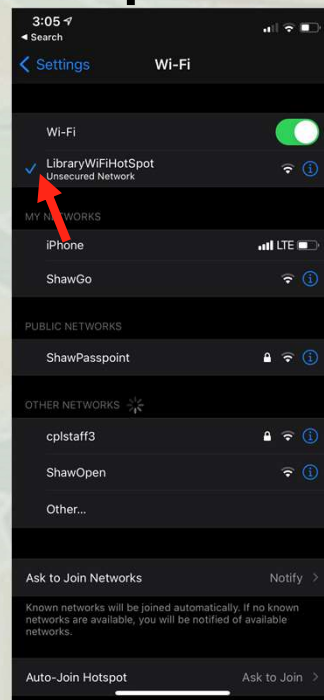

PUBLIC WI-FI

Example: Connect to Starbucks W-Fi network on a laptop

PUBLIC WI-FI

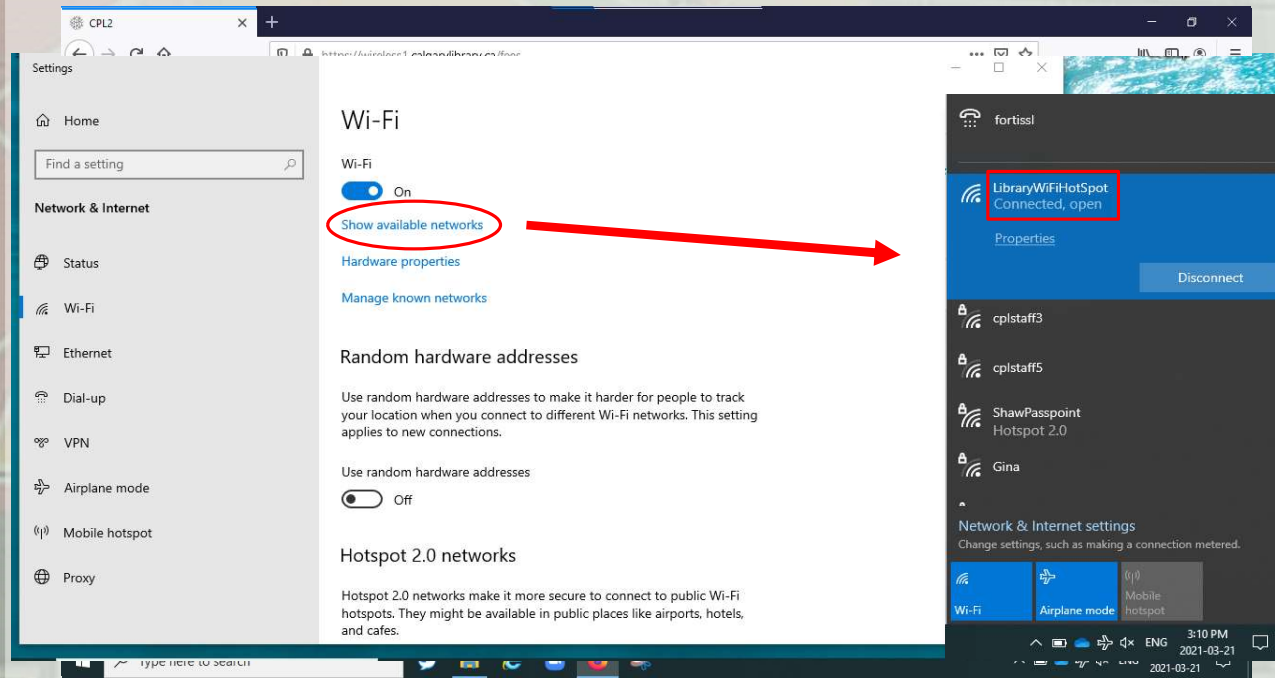

Example: Connect to public library W-Fi network on a smart phone

PASSWORDS

- Tips for creating a password:
 - Use a combination of lowercase and uppercase letters, numbers, and symbols
 - Use numbers or symbols to replace letters in a word or phrase (example: 5mile instead of Smile)
 - Do not use personal information like your birthday, name or similar information for your loved ones
 - Try not to use the same password twice
- Example of strong passwords:
 - !Love3MyPiano
 - jelly22fi\$h

PASSWORDS

- Tips for keeping your passwords safe:
 - Write them down (on a piece of paper, in a journal, etc.) and keep it somewhere safe.
 - Keep them in a Word document, spreadsheet or in a notes application on your device.
 - Safest option: Download a reliable password storage application on your phone, tablet or laptop. Examples: 1Password, LastPass, Keeper
